

### **The Emporium Café at Abbey Farms Weekday Menu**

Abbey Farms is a unique agritourism farm in Aurora, Illinois – but we like to think of ourselves as a family fun destination! Abbey Farms has been growing memories for nearly 75 years. We offer our annual Pumpkin Daze festival with its corn maze, pumpkin patch, and outdoor attractions in mid-September through Halloween. Starting in Mid-November and running through Christmas Eve we have our Holiday/Winter celebration, specializing in dozens of acres of U-Cut and pre-cut Christmas trees along with our famous Christmas retail store.

Starting this year, we offer you our new Spring and Summer offerings, including special events like Honey Day, Corn Fest, Dog Daze, Family Fun weekend, and others throughout the season. Watch for new flavors of our farm-made doughnuts, too.

And now we open our brand-new café, including farm-made lunches, 'chill out' times, and weekend brunches all designed and prepared by our on-location chef and his team.

And coming soon – apple orchards and strawberry patches.

It all started in the 1930s when the monks of Marmion Abbey settled here and began growing trees – then opened to the public for the first time in 1949. Abbey Farms is a working, non-profit farm – with all proceeds benefiting the monks and their mission. We are a proud member of the Marmion community and support all the efforts of the school, the church, and the Abbey (where the monks live).

We are non-profit so we depend on word-of-mouth marketing. So, if you enjoy yourself, please tell your friends by taking pictures of your visit, post on your Facebook page, and tag us. Stay up to date on the comings-and-goings here on the farm by going to our website, [www.AbbeyFarms.org](http://www.AbbeyFarms.org) or just keep coming back week after week.
